APPENDIX A TO PART 345—RATINGS

(a) *Ratings in general.*—(1) In assigning a rating, the FDIC evaluates a bank's performance under the applicable performance criteria in this part, in accordance with § 345.21, and § 345.28, which provides for adjustments on the basis of evidence of discriminatory or other illegal credit practices.

(2) A bank's performance need not fit each aspect of a particular rating profile in order to receive that rating, and exceptionally strong performance with respect to some aspects may compensate for weak performance in others. The bank's overall performance, however, must be consistent with safe and sound banking practices and generally with the appropriate rating profile as follows.
